

About Dancers Unlimited

Dancers Unlimited of NMSU is a student-run dance company specializing in jazz, ballet, hip hop, swing, and contemporary dance. Dancers in the company come from a wide variety of backgrounds and majors, but all share a love of dance and performance. DU will be performing some selections from the "Dancing for Animals" performance on Nov. 5th & 6th at Oate High School. DU is proud to partner with the Humane Society of Southern New Mexico and the Unitarian Universalist Church to bring you live performance dance.
