Raffle winner Barbara Marta, front left, accepts her prize from ACTION Programs for Animals' president, Michel Meunier, right, on Aug. 8. Also pictured behind the winner, from left, are APA volunteer Carrie Winsor, APA vice president Linda Hall, APA volunteer Amy Jo Garcia, and APA board director Julie Miller.

The winning ticket was chosen by an APA Pet Food Bank recipient at the August food distribution. Marta's prize was half of the raffle ticket sales total (\$500). She generously donated \$100 to APA for the food bank from her winnings. APA also reports they were able to raise more than 5,000 pounds of food for their August distribution via food and monetary donations as well as their half of the raffle total. The public's support of the program is phenomenal and much appreciated.
