Do you...

...share our love & respect for animals?

...feel hopeless about our current homeless animal situation?

...think it's time we unite as a community to change circumstances?

...have a few hours (or more) to volunteer to work on a lifesaving project of your choice?

If you answered yes to any of these questions, join the new APA Coalition and learn about ways you can make a difference with positive ACTION today that can change things for our animals starting NOW.

All are welcome, and there is no cost to join; only your skills and passion are needed!!!
