LAS CRUCES - The Animal Services Center of the Mesilla Valley received a favorable visit by the inspector for the New Mexico Veterinary Board on Nov. 13.

As a result, the ASCMV will continue to hold its veterinary facility license issued by the New Mexico Board of Veterinary Medicine.

"The inspector spent nearly four hours doing a thorough walk-through of the service center, including the surgical facilities, kennels and records inspection," said executive director Dr. Beth Vesco-Mock. "The inspector found the facility clean, neat and reasonably odor free. All relevant standards are being met."

The ASCMV is located at 3551 Bataan Memorial West. Days and hours of operation are Monday through Friday, noon to 6 p.m. and Saturday and Sunday noon to 5 p.m. The center can be reached by calling (575) 382-0018 or online at [www.ascmv.org](http://www.ascmv.org)
